

Announcement for International Protection Applicants and Status Holders

25.06.2020

If you are an international protection applicant or status holder, you can now book an online appointment at e-randevu.goc.gov.tr for the following transactions:

- Updating your personal data
- Updating your address/contact information
- Requesting travel permit
- Requesting marriage authorization certificate
- Merging files / adding dependent due to marriage, referral, kinship, legal decisions and other needs
- Splitting files due to divorce, correction of mistakes, and legal decisions
- Counseling needs – if the information provided by 157 YIMER Call Center is not sufficient for you.
- In case of any changes other than those mentioned above
- Withdrawal of your international protection application
- Renewal of the identification card

Only a certain number of people can be processed at PDMM each day. Booking an appointment helps to ensure that the process at the Provincial Directorate of Migration Management (PDMM) goes fast for you and your family. Save yourself time by booking an appointment beforehand and show-up at PDMM on the day and time of your appointment.

Please keep in mind that booking an appointment is free of charge and no one can ask you for payment to book an appointment. If you face any problem, call YIMER call center at 157.

Important: Please take note of the appointment code or keep your confirmation SMS. You will be asked to show this code for your interview.
